“You’re Hired!” ...Strategies for Successful Job Seeking event

Dubuque, IA: In today’s competitive job market, employers are looking for applicants with the skills, training/education, community service and customer service to fit their company culture. Job seekers are being challenged to use a variety of job search methods, update their skills and education, develop professional resumes and cover letters and sharpen their innovative skills.

If you’re beginning your job search, thinking about a career change, or have been frustrated with your job search results, don’t miss this GREAT opportunity for job seekers to learn from Human Resource and community resource professionals!

When: Wednesday, October 10, 2012 from 8:15 am until 12:15 pm

Where: IowaWORKS , NICC Town Clock Center for Professional Development, 680 Main Street, Second Floor, Rooms 231/232, Dubuque, IA 52001

What: A five-member Human Resources panel representing multiple industry sectors including IT, advanced manufacturing, healthcare and professional and service sectors. A panel of Community resources including areas of education, volunteerism, networking, employment and community opportunities.

Offered at NO COST to job seekers and NO pre-registration required!
